Guidelines for Call for papers and posters

We take immense pleasure in inviting you to the 9th International Engineering, Sciences and Technology Conference (IESTEC 2024) that will take place in Panamá City (Panama) next October 23 – 25, 2024.

IESTEC is an international multidisciplinary conference that brings together hundreds of academics, students, researchers, and professionals from many engineering and applied science fields. "Innovating the present, transforming the future" is this edition's motto.

Accepted papers will be submitted for inclusion into IEEE Xplore Digital Library according to conference #62784, 2024 9th International Engineering, Sciences and Technology Conference (IESTEC), subject to meeting IEEE Xplore's scope and quality requirements. IESTEC 2024 will also include a poster section.

We invite papers with original and unpublished contributions of practical and/or theoretical interest addressing the following topics:

- Materials science and engineering
- Natural and exact sciences applied to engineering.
- Engineering and space sciences
- Biosciences, biotechnology, and biomedicine
- Agroindustry
- Environment, climate change and sustainability
- Infrastructure, construction, and buildings
- Energy production and management
- Renewable energy and energetic efficiency
- Intelligent systems, robotics, and automation
- Security and computer networks
- Artificial intelligence and data sciences
- Telecommunications engineering and computer sciences
- Engineering education
- Logistics and business sciences
- Humanities in science and technology

The conference will include keynote sessions, paper conferences, poster sessions, symposia, expert forums, and technical conferences. We would appreciate your support in promoting this important international conference among your colleagues, and in submitting academic papers. Your presence at this conference is important to us. We look forward to seeing you at IESTEC 2024 in Panama.
